

# PRE-SHIPMENT

## EXPORT CREDIT FACILITY

### PRODUCT OVERVIEW:

This dynamic credit facility offers short-term, one-time, or revolving loans crafted to support the entire export process. From the purchase of raw materials to processing, converting into finished goods, warehousing, packing, and transportation until the goods are ready for shipment. The facility is granted upon the presentation of a valid sales contract and irrevocable export letters of credit.

### Key Features and Benefits

- Applicants must demonstrate prior experience in earning USD 100,000 or more as exporters, ensuring a foundation of expertise.
- Sub-divided into two specialized products:
  - Pre-Shipment Export Credit Facility against Sales Contract: One-time or revolving options available.
  - Pre-Shipment Export Credit Facility against Irrevocable L/C: Availed on a clean basis against irrevocable Export L/C.
  - Pre-Shipment Export Credit Facility without L/C and Sales Contract: Extended to support prominent customers with highly demanded exportable commodities in the global market.
  - Revolving Export Credit Facility (Advance against Export Bills):
- Bridges temporary working capital needs for exporters upon presenting all valid and acceptable export documents, excluding a bill of lading.
- Highly beneficial in facilitating the export trade process.

### ELIGIBLE CANDIDATES:

Tailored for exporter business customers, potential traders, cooperatives, and farmers seeking robust financial support for their pre-shipment export activities.
