

MURABAHA

PRE-SHIPMENT EXPORT FINANCING FACILITY

PRODUCT OVERVIEW:

Elevate export potential of customers with the Murabaha Pre-Shipment Export Financing Facility. This tailored facility is designed for the acquisition of raw materials and exportable goods, ensuring business is well-positioned for success.

Key Features and Benefits

- Price Confirmation:
 - Exportable item prices are confirmed within acceptable ranges, validated by the National Bank of Ethiopia (NBE) or Ethiopian Commodity Exchange (ECX).
- Flexible Financing:
 - Flexibility of one-time or revolving financing against sales contracts, adapting to unique business needs.
- Financial Track Record:
 - Applicants with a clean track record, having earned at least USD 150,000 or equivalent in other currencies in the past twelve months, are eligible.
- Collateral Options:
 - Collateral requirements are met by offering suitable collateral, ensuring a seamless processing of requested facility.

TARGET CUSTOMERS

-  Business owners
-  Exporters
