

AGRICULTURAL

SECTOR TERM LOAN FACILITY

PRODUCT OVERVIEW:

Tailored to meet the financial needs of those in the agricultural sector, this facility provides funding for temporary working capital and project financing.

Key Features and Benefits

- Diversified sub-products cater to specific agricultural requirements.
 - Agricultural Input/Fertilizer Loan: A short-term loan for stakeholders in agriculture or regional states, facilitating the purchase of agricultural inputs.
 - Agricultural Input Loan (excluding fertilizer): A short-term loan for regional states to acquire agricultural inputs other than fertilizer.
 - Agricultural Investment Loan: A short-term loan for regional states covering working capital, building purchase or leasing, agro-processing machinery, equipment, and more for small/medium/large-scale farming.
 - Agricultural Machinery Purchase Loan: extended to individuals engaged in farming or agricultural-related businesses, including MSMEs in agricultural machinery renting, for acquiring agro-processing machinery and equipment.
- Emphasizes sector development, encourages modernization in agriculture, and enhances the production of agricultural outputs.

ELIGIBLE CANDIDATES:

Cooperatives, associations, commercial farmers, and individuals engaged in the agricultural sector.

TARGET CUSTOMERS

-  Model farmers
-  Agro-processors
-  Commercial farmers
