

NRNT - BIRR

NON-TRANSFERABLE BIRR ACCOUNT

PRODUCT OVERVIEW:

An account maintained in Birr. It is convertible to FCY needs approval by the National Bank of Ethiopia. (All sources to this account must be in foreign currency).

Key Features

- Facilitates the transfer of funds abroad in foreign currency without the need to obtain a foreign exchange permit, streamlining international financial transactions.
- All deposits must originate from foreign currency sources, ensuring the account's foreign currency nature.

ELIGIBLE CANDIDATES:

This account is exclusively designed for diplomatic mission offices, non-Ethiopian diplomatic mission staff, international organizations, and their organs.
