

CHANNEL

FINANCING

PRODUCT OVERVIEW:

It is a short-term financial support with our innovative Channel Financing, exclusively designed for potential applicants recommended by the bank's esteemed customers.

REMARK

Our Channel Financing is the key to unlocking new heights in business success.

Key Features and Benefits

- Streamlined Application Process:
 - Would-be customers can kick-start their journey by providing a current purchase order or sales contract, simplifying the application process.
- Secure Financing:
 - Gain access to financing after the supplier or manufacturer signs a personal guarantee and/or offers other acceptable collateral, ensuring a secure financial foundation.
- Generous Funding Support:
 - Up to 60% financing of the submitted sales contract, providing substantial support for domestic manufacturing, agricultural production, wholesaling, retailing, or supplying businesses.

ELIGIBLE CANDIDATES:

Tailored for dynamic sectors such as domestic manufacturing, agricultural production, wholesaling, retailing, or supplying businesses.
