

INTEREST-FREE

EXPORT (QARD) FINANCING FACILITY

PRODUCT OVERVIEW:

A short-term financing solution designed as an interest-free loan to empower exporters in various circumstances.

Key Features and Benefits

- Flexible Financing Duration:
 - Avail advances ranging from 30 to 90 days, offering flexibility to cater to unique export timelines.
- Comprehensive Product Offerings:
 - Choose from a range of products, including Advance Against Export Sales Contract, Advance Against Export L/C, and Advance Against Export Bills.
- No Charges Until Proceeds Realization:
 - Experience a worry-free period during which no charges are incurred until the export proceeds are realized.
- Repayment from Export Proceeds:
 - Repay each advance seamlessly with the export proceeds secured in foreign currency, ensuring a streamlined repayment process.
- Nominal Service Charge:
 - A small service charge, optimizing the cost-effectiveness of export financing.

REMARKS

Maximize export opportunities with our adaptable financing solutions! Whether a customer needs advances ranging from 30 to 90 days or prefer a diverse selection of product options, we're here to support them every step of the way.

ELIGIBLE CANDIDATES:

Exporters: Tailored for exporters seeking innovative and interest-free financing solutions for their export ventures.
