

FARMERS

LOANS

PRODUCT OVERVIEW:

A tailored agricultural term loan exclusively designed to support farmers in their pursuit of growth and success.

Key Features and Benefits

- Comprehensive Support:
 - Avail the loan for the acquisition of dairy animals, animal feeds, machinery, labor, veterinary services, vehicles, storage facilities, and other vital investments essential for dairy production.
 - Ensure a suitable shade for milk cows is in place, meeting the necessary standards.
 - Benefit from an affordable lending rate tailored to suit financial needs.
 - Dedicated experts in the sector will provide ongoing support and consultation until the loan is successfully repaid.
 - Encourages the development of small- to large-scale dairy farming operations.

TARGET CUSTOMERS

- Model farmers
- Commercial Farmers
- Small scale farmers
- Agro processors with land holding
