

LOAN FOR

PURCHASE OF PRIVATIZED PROPERTIES

PRODUCT OVERVIEW:

This specialized loan offering is designed to empower individuals in partially financing the acquisition of public enterprises auctioned by the government.

Key Features and Benefits

- Typically structured as a medium to long-term loan, providing flexibility and extended repayment periods.
- Requires only a minimal 30% contribution of the enterprise's value, allowing borrowers to leverage the bank's financing for substantial acquisitions.
- Properties acquired through the bank's financing are held as collateral, ensuring a secure transaction.
- Tailor the repayment terms to preference, whether monthly, quarterly, or annually, offering personalized flexibility.

CROSS SELLING PRODUCTS

- Current deposit accounts
- Ordinary savings Account
- Joint Accounts
- Other Personal Saving account like Sinqe

TARGET CUSTOMERS

- Individuals or entities interested in purchasing fore-closed or acquired properties through auction.

ELIGIBLE CANDIDATES:

Tailored for the bank's prominent customers seeking exclusive financial support for acquiring privatized properties, providing a strategic advantage in participating in government auctions.
